**Attachments:** Common Interest and Confidentiality Agreement -Fully executed [4013\_500....pdf; Amendment to common interest agreement.DOCX

Melissa: A straightforward way to make the existing common interest agreement (first attachment) comprehensive is an amendment that extends it to claims against BBPOS-supplied products (a) that were asserted since the date of that agreement, and (b) that may in the future be asserted. Please tell me if you agree that the second attachment achieves our mutual goal.

In case your firm is replacing the one identified in paragraph 19 of the agreement for notice purposes, I've suggested amending that paragraph as well. Let me know if that is inapplicable.

Subject to our client's final approval, we would be interested in a comprehensive Common Interest Agreement. Will you please send me a proposed draft for our review? Thank you.

Dear Ms. Bozeman,

We are in receipt of your letter. We understand you would like certain information.

Before we go further regarding your requests, we believe a Common Interest Agreement is appropriate. Attached is one that is currently in place with respect to the REM Holdings matter – would you be agreeable to a new agreement that encompasses all the matters?

Best regards,

Kerry
